Dear Friends:

It has recently come to my attention that Turning the Tide has been selected for a grant of \$75,000 by the Department of Labor's Faith Based and Community Initiatives office. Please allow me this opportunity to congratulate your organization on this momentous occasion.

It is my understanding that Turning the Tide is a nonprofit organization dedicated to the community's need for computer literacy. I applaud your determination to provide quality technology education and a supportive environment for children and adults alike.

Congratulations on your accomplishment and good luck to you in all future endeavors.

My best.

Sincerely,

  
Arlen Specter
